

SC210

SLEEPER CHAIR

SC210 SLEEP CHAIR

The SC210 sleeper chair is the most comfortable, durable, and lowest-maintenance seating and sleeping option available. This sleeper is made specifically for patient rooms and other areas of the health center where overnight visitors are welcome. The design is such that the visitors view is not blocked while sleeping.

Features

- Three positions
- Steel and wood construction
- Rear locking casters
- 300 Lb. weight capacity
- Wall saver back design
- Stabilizing foot on backrest for sleeping position

Options

- Oak arm caps
- Contrasting fabrics

	Depth	Width	Seat Width	Height	Seat Height	Weight Capacity
