Behavioral Health Seating

---

Cassia Lounge Seating for behavioral health synthesizes form and function. It meets the Behavioral Health requirements of durability and safety, and it is inviting, comfortable seating in a contemporary style. The Cassia lineup includes 1- 2- and 3-seaters, as well as 16" and 21" tall tables that are available in several different sizes.

## Features

- Limited lifetime warranty
- 14-gauge internal steel frame
- Concealed clean out space between seat and back
- Low profile nylon gliders to protect flooring
- No visible fasteners
- Steel seat pan conceals staples and adds weight
- Tamper-resistant fasteners
- Steel base can be bolted to the floor

## Options

- Custom sled base and arm cap finishes
- Contrasting fabrics
- Moisture barrier
- Wood, polyurethane, rigid polyester, or solid surface arm caps
- Laminate or solid surface tabletops
- Bolt-to-floor brackets
