

DRUM TABLES

Behavioral Health Tables

DRUM TABLES

Behavioral Health Tables

The Drum Table collection for behavioral health tables includes four sizes, and custom sizes are also available. The Drum Tables include a weighted steel plinth base to discourage mishandling and protect against damage.

Features

- Weighted steel plinth base
- Laminate surface
- Concealed fasteners
- Tamper-resistant and non-removeable glides

Options

- Solid surface top
- Custom solid surface finishes
- Custom powder-coat finishes
- Custom dimensions
- Built in power/USB receptacle
