## Behavioral Health Seating

---

The transitional style of the Onward Heavy-duty guest chair makes it institutional furniture with residential appeal. The steel seat frame is anchored to wood end frames with metal-to-metal fasteners. The chair features a wall-saver rear leg and separate seat and back for ease of cleaning. The line consists of a single chair, bariatric version, and 2- and 3-seaters with intervening arms.

### Features

- Limited lifetime warranty
- 14-Gauge steel seat frame
- Wall saver leg design
- All fasteners are tamper-resistant
- Steel seat pan conceals upholstery staples and adds weight
- Clean out space between seat and back
- Non-removeable nylon glides

### Options

- Polyurethane arm caps
- Round or square back shape
- Laminate or upholstered side panels
- Custom frame finishes
- Contrasting fabrics
- Moisture barrier
