

VISTA II HD

Behavioral Health Seating

VISTA II HD

Behavioral Health Seating

The Vista II HD Guest Chair features a one-piece contoured seat and back. The integral, fully welded frame and legs, as well as the optional Hframe add strength, support, and safety. Plus, the steel seat pan adds weight. The chair is available with arms or armless. The Vista II is assembled with tamper-resistant fasteners, concealed upholstery staples, and non-removeable glides.

Features

- Limited lifetime warranty
- 14-gauge oval-tube steel frame
- Tamper resistant fasteners
- Steel seat pan conceals upholstery staples and adds weight
- Simple one piece back and seat
- Non-removeable nylon glides
- Available in 18" and 22" seat widths

Options

- Custom frame finishes
- Bolt-to-floor brackets
- Moisture barrier
