## Case Goods

---

Gibraltar series case goods are designed exclusively for healthcare environments. The sleek-looking aluminum legs protect the cabinet from damage while maintaining a 6" clear space below for ease of cleaning. Backs are also vented for air flow. Additionally, tops, doors and drawer fronts may be specified in thermofoil. The thermofoil top option is available with or without the spill containment, and thermofoil doors and drawers feature integral finger pull design.

### Features

- Limited lifetime warranty
- Anodized aluminum legs protect against damage
- 6" clear space below for easy cleaning
- 3/4" backs finished in matching laminate
- 1" rounded cabinet top eliminates sharp edges
- Bedside tables feature ventilation ports
- Steel drawer boxes for better durability

### Options

- Custom finishes
- Custom dimensions
- Plastic drawer liners for bedside cabinets
- Solid surface or thermofoil tops
- Various lock types available
- Wood bullnose edge
- Secondary top for bedside cabinets
- Casters on rear or all legs
- Galley rails
