KINDRED

Case Goods

Kindred series cabinets feature thermoformed components with a soft woodgrain appearance, creating a feeling of warmth in any healthcare environment. Thermoformed components are created by using vacuum technology to “wrap” thermofoil laminate around edges, while pressing it into surface contours to achieve a subtle, seamless appearance.

Features

- Limited lifetime warranty
- Tops, drawer fronts, and toe kicks surfaced in seamless thermofoil
- Several top styles and drawer/door styles available
- 3/4" laminate backs on all cabinets
- Ventilation ports in the bedside tables
- Steel drawer boxes for better durability
- Field replaceable drawer fronts, doors, and toe kicks

Options

- Self locking Caster system for bedside tables
- Drawer liners
- Galley rails
- Drawer locks
- Various lock types available
- Custom sizes
